

## Sharing isn't always caring

On a rainy day Zoe makes up some stylish dance moves. The next day, Oscar, her best friend, imitates her dance. How did he do it? Did he spy on her? The answer is simple: Zoe's mom is sharing videos and pictures of Zoe. Zoe isn't happy, and her mom is surprised. Mother and daughter need to discuss how information is shared and agree on a family rule.

Thème : Droits numériques et droits à la vie privée

- ✓ Comprendre la notion de droit à la vie privée numérique
- ✓ Apprendre à communiquer ces droits
- ✓ Respecter les choix individuels
